

Help the *San Francisco Chapter of NAIW* give the SF Sheriff's Department Women's Reentry Center their Big Ticket Wish List Items

Since 2007, SFCNAIW has been collecting un-opened toiletries and clothing to donate to the Women's Reentry Center – and we continue to do this; however, the center needs some additional higher dollar items, and we want to respond to that need as well – with your help!

Items the center really needs are:

- **A Printer** – their printer is connected to all of their computers and it does not work. They need a professional printer equipped to handle all of the usual tasks (i.e. collating, double-sided printing etc.) – we received some personal desktop printers, which are great, but we are still looking for a bigger, high volume network printer!!

- **Desktop computers** – new or used (for the computer lab and employees)

- **For their kitchen** – 1 or 2 locking cabinets for kitchen utensils and equipment (approx, width: 33 1/2" & height 21 1/4")

- **Giftcards** – from Walgreens, Safeway, Ross Stores, etc.

Lockton has stepped up and has donated a camera, video camera, fax machine and some gift cards and ACE Westchester had donated personal printers and a high volume fax machine. **I challenge all our members and their companies to help make the Center's wishes come true – by using those networking connections, we can fulfill this list!!**
