Ms. Monique Howard
S.F. Chapter of NAIW

Dear Ms. Howard:

On behalf of all of us at Year Up Bay Area, I would like to thank the San Francisco Chapter of the National Association Insurance Women for your generous donation of \$125. Your support enables us to provide young adults with the training and education necessary to transition to livable-wage jobs and post-secondary education. With this gift we can offer the support, resources, and opportunities that will empower our students to lead more productive and rewarding lives.

This year we expect to provide more than 200 young adults with the skills, experience and support that will enable them to build successful careers. Thanks to your support and recognition, Year Up Bay Area is well positioned to empower young adults in the Bay Area to reach their potential through professional careers and higher education and close the opportunity divide. Your contribution is essential to accomplishing this goal. We look forward to continued organizational growth and social impact and sharing with you the inspiring stories and accomplishments of our students.

We have included with this letter one of our inspiring student profiles. Your support makes stories like this possible. Please retain this letter for your tax records. Thank you again for your generous donation.

Kind regards,

Johnetta Stevens
Development Manager
Year Up Bay Area
